

DEEP RIVER GOLF CLUB (1972) INC.

| | | |
|---|-----------------------------------|---|
| Policy no: OP-001 | Policy Adopted by: | Board of Directors |
| Policy Name: General Rules of the Club | Policy Original Issue Date | 2017-07-04 |
| | Policy Review/Revised Date | Review: 2020-12-08 Revised: 2020-12-08 |

1.0 Club operations

Club operations are the responsibility of an elected Board of Directors. Board members are elected and hold position as described in the club's By-Law 1. The names and positions of active board members are posted on the Board of Directors Information Board in the club house verandah.

2.0 Schedule of Events

A schedule of events is available in the Pro Shop and on the Deep River Golf Club website, www.deeprivergolf.ca. The Master Schedule is posted by the computer on the verandah. Schedule revisions are posted periodically throughout the season, so make sure you are looking at the most recent version! Please report any errors or conflicts to the Club Captain. Notices of local events are posted on the bulletin board on the verandah. Information on out-of-town events for men can be found on the notice board in the men's locker room. For women's events, the information is posted on the bulletin board in the hallway leading to the women's locker room. Junior events are posted on the board between the pop machines and the kitchen entrance.

3.0 Playing Times

Adult and Senior members may play at any time during the week or on weekends provided there is no event or tournament scheduled. Full members are eligible to play in club competitions. Tee-times are mandatory for regular play.

Junior members must abide by the rules set out in policy OP-004 Junior Program Policy. Junior members are eligible to compete in some adult events. Tee times and tournament play are restricted and defined in said policy. Consult the Junior Director for more information.

4.0 Tee-times

Players must sign-up for tee-time in the Pro Shop. Members may only sign up 3 times on the posted 5-day period. However, members are permitted to play at other times, in unreserved time slots. Always check in with Pro Shop staff before going to the tee.

5.0 Dress Code

The Deep River Golf Course has a dress code that is enforced by Pro Shop staff. Players not adhering to the dress code will not be permitted to play on the course. The following are the specifics of the code:

- No gym shorts, bathing suits, cut-off jeans, tennis shorts or short shorts.
- Shorts must be fingertip length.
- No halter tops or tank tops.
- All shirts must be full length.
- Footwear must be appropriate for golf.

6.0 Membership Refund/Adjustment Policy

The Board of Directors recognizes that situations will arise when a member, during the golf season, will become unable to continue playing because of illness, injury or other unforeseen circumstance. In these situations, it is Club policy that the affected member will be eligible for a refund of all, or a part, of his/her paid-up membership fees, dependent on the date of application for a fee adjustment. Please advise the Board immediately if you are unable to play out the season because of injury or ill-health.

The Board also recognizes that, in fairness, individuals joining the Golf Club during the playing season should not be required to pay the full membership fee.

The Club's Membership Refund Policy is defined in Policy OP-003.

7.0 Etiquette/Pace of Play

Pace of Play

Normally, nine holes should be completed within two hours and fifteen minutes. If there is more than one hole between you and the players in front, and there is a group immediately behind you, the following group should be waved through.

If a ball is possibly lost or out-of-bounds, a provisional ball should be played. Players are allowed five minutes to search for a lost ball. At the end of this time they must either abandon the ball and play the provisional, or allow the group following to play through while they continue their search. Note that, under the rules of golf, a ball not found within the initial five minutes is lost and may not be played if found after this time.

Etiquette

A player should not play until the players in front are out of range, particularly when you are approaching the green.

No one should move or talk when a player is addressing the ball. Nor should they stand directly behind him/her or in his/her line of vision.

All divots should be replaced. In taking practice swings, players should avoid damage to the course, particularly on the teeing ground. Ball marks and damage caused by spikes should be repaired before a group leaves the green. At some times of the day it is difficult to find your own ball mark. Please fix any others that you do find.

Before leaving a bunker, players should carefully rake over all holes and footprints.

Golf carts should be kept a reasonable distance from teeing grounds and greens. Power carts should be kept at least 15 yards from greens. Power cart operators should obey all cart-related signs on the course.

Member and Guest Conduct

Please note it is against Club policy to act disrespectfully toward any Member, Guest, or Club staff. No Member or Guest may reprimand an employee of the Club staff.

Cell Phones and Electronic Devices

As a courtesy to your team and other golfers on the course, please be discreet with the use of cell phones or other electronic devices.

8.0 Pro Shop Services

The Club contracts out for golf professional services and provides space for a pro shop within the club house.

Club Storage

The Pro Shop operates a club-cleaning and storage facility for all members. Included with club storage is the use of a pull cart for the season. Address all enquiries to the Pro Shop.

Driving Range

The Pro Shop operates the driving range/practice facility. The driving range is available to members and visitors. Range memberships are available to members.

Golf Instruction

Private lessons may be booked throughout the playing season. Group instruction is also offered during the summer. Please consult with the Club Professional regarding lessons and rates.

Pro Shop hours of business

The designated times of operations are generally from opening time to 45 minutes past sunset as follows:

Weekdays

| | |
|-------------------------|--------------------|
| April and October | 9:00 am to closing |
| May, June and September | 8:00 am to closing |
| July and August | 7:30 am to closing |

Weekends

April and October 9:00 am to closing

May and September 8:00 am to closing

June and Holidays 7:30 am to closing

July and August 7:00 am to closing

Playing and rental fees

Green fees, cart and club rentals for nine (9) and eighteen (18) holes are available to guests and members. Rates will vary from year to year, and will be posted in the pro shop. Groups rates will be considered for large groups on a case by case basis depending on other activities and course availability.

9.0 Dining Room Services

The club provides dining room services for members and guests in our clubhouse. The food preparation and bar service are provided through contract with local restaurant businesses.

Operating hours vary throughout the operating season. Hours are posted in the main dining hall.

The dining room is also available for rental for group events. Consult with the kitchen on availability and cost.

Note that scheduled Golf Club events take precedence over casual dining.

10.0 Motorized Cart Operation

1. Between tee and green, where there are no paths, carts may disperse.
2. On the approaches to greens, posts have been placed to direct carts around the greens. Where cart paths are available in these areas they must be used. Where they are not, carts must be kept a minimum of 15 yards from the green.
3. Carts should not be driven on to the mounds around the greens.
4. On completion of a round, please park carts in an organized manner behind the clubhouse along the grass verge adjacent to the Bowling Club fence. Please do not block the right of way for course equipment and other cart users.
5. On days when we have shotgun starts, please park motorized carts in an organized manner in the area around the scoring shed. This will allow free movement of people and carts between the clubhouse, putting green and driving range.
6. Members of the Board of Directors, the Green's Committee, the Club Professional and his staff have the authority to see these rules are adhered to.
7. Abuse of these rules will be dealt with by the Board of Directors.

8. Cart owners who lend their cart to people other than their designate must inform them of the rules for motorized cart operation.

11.0 Alcohol on the Course

In compliance with liquor license regulations only alcohol purchased at the golf course is permitted on the course. Anyone found contravening this requirement may be asked to leave the course without refund. Repeat offenders may be banned from the course.
