1.0 PURPOSE

The Deep River Golf Club has established this policy regarding the use of cannabis and related products on the golf course property to ensure we maintain a safe workplace for the employees of the golf course and a safe and pleasant experience for all members and guests of the club.

The Deep River Golf Club is a Family Friendly Facility and children frequent the common areas of the club.

2.0 WORKFORCE

For the purpose of this policy the workforce is defined as any employee of the Deep River Golf Club and any employee or worker associated with the pro shop. This also extends to any volunteer or assistant to the club while on property.

A member of the workforce defined above may not use or possess drugs when on duty.

However, if a member of the workforce must use cannabis in any form for medicinal purposes while on duty, he/she must provide medical proof of such to the Deep River Golf Club. The use of the product must comply with the directives listed in Section 3 of this document.

3.0 USE OF CANNABIS ON PROPERTY

The workforce defined above, club members and all guests must comply with the following:

- Smoking, vaping or ingesting cannabis in the following areas at the Deep River Golf Club is not permitted:
 - Parking areas on club property
 - All Areas Around the Club House and Pro Shop
 - All Practice Areas
 - The area around the 9th green
 - All tee blocks on the first hole

The Deep River Golf Club requires that anyone using Cannabis on the course is respectful of non-users also at course.

The Deep River Golf Club would like to remind users of cannabis that driving impaired by cannabis is illegal.
